When should I apply?

Penn State reviews applications throughout the year, but we strongly encourage you to submit your application as soon as possible in the fall. Students can expect a decision within four to six weeks.

Students who visit Berks can get the application fee waived prior to submitting the Penn State application. The Penn State application is available beginning August 1 at admissions.psu.edu.

Students can also apply via the Common Application. Visit admissions.psu.edu/apply for more information.

Transfer Students

Scholarships and Financial Aid

About 82 percent of Penn State students receive some form of financial aid. Our financial aid staff can help you identify and apply for a variety of grants, loans, work study, campus employment programs, and scholarships to make your college education more affordable. Assistance for military veterans and adult learners is also available.

Students are automatically considered for scholarships, both merit-based and need-based, once they apply and are accepted to Berks. There is no separate scholarship application to complete. These scholarships are in addition to any other forms of need-based financial aid for which a student may be eligible.

To apply for financial aid, simply complete the Free Application for Federal Student Aid (FAFSA) online at studentaid.gov.

For more information on student financial aid, contact our Financial Aid Office at 610-396-6070.
